

G-CEM LinkForce™

DUAL-CURE ADHESIVE RESIN CEMENT

STRENGTH & ESTHETICS IN ONE SYSTEM

Source: GCC R&D

†Not a registered trademark of GC America Inc.

TOUCH of GENIUS™

- G-CEM LinkForce is a strong, esthetic, universal solution for all adhesive cementations
- G-CEM LinkForce is the ideal cement to use with all milling blocks, including CERASMART™ Force Absorbing Hybrid CAD/CAM Blocks
- Four shades available in both cement and try in paste, ideal for veneers
- Excellent color stability and easy clean-up

G-CEM LinkForce™

DUAL-CURE ADHESIVE RESIN CEMENT

G-Premio BOND™

1-bottle universal MDP-based bond for all preparations:

- Incredible bond strength to preparations
 - To tooth structure in self-etch, selective-etch and total-etch modes
 - Adhesion to metal and resin core
 - Versatile light-cure or dual-cure options

G-Multi PRIMER™

1-bottle MDP-based primer for all restorations:

- Exceptional bond strength to restorations
 - Composites, hybrid ceramics, ceramics, zirconia, alumina, non-precious and precious metal, glass fiber posts

G-Premio BOND™ DCA

Dual-Cure Activator for a reliable bond in places where light can not reach

009541	G-CEM LinkForce System Kit	<ul style="list-style-type: none"> • 3 G-CEM LinkForce cement syringes (8.7g/5mL) one each of: A2, Translucent, Opaque • 45 GC Automix Tips, 5 GC Automix Endo Tip mixing tips with intraoral tip • 1 bottle G-Premio BOND 5mL • 1 bottle G-Multi PRIMER 5mL • 1 bottle G-Premio BOND DCA 3mL • 1 syringe GC ETCHANT 3.6mL (Available in System Kit only) • 25 Metal dispensing tips + 2 covers (for GC ETCHANT & Try-in Paste) • 3 G-CEM LinkForce Try-in Paste syringes (1.5g/1.2mL) one each of: A2, Translucent, Opaque • 50 disposable applicators • 20 disposable dispensing dishes
