

## **GC America Inc. has been certified to ISO 14001:2015, Environmental Management System**

GC America Inc. proudly announces our Environmental Management System (EMS) has been certified to ISO 14001:2015 by NSF, a highly respected notification body. To become ISO 14001:2015 certified, GC America underwent a rigorous auditing process led by NSF-ISR. This achievement demonstrates GC America's commitment to a sustainable manufacturing operation that protects the environment and local communities. GC America now proudly bears the NSF mark, to assure customers, retailers and regulators that we hold Corporate Social Responsibility at the core of our company's values.

NSF International Strategic Registrations (NSF-ISR) is a leading global certification body, known for its superior technical expertise and customer satisfaction. Through the highest level of integrity, the NSF-ISR mark is recognized as the gold standard of the certification industry.

### **About GC Corporation and GC America**

Founded in 1921, GC Corporation is one of the world's leading manufacturers of innovative materials, devices and equipment designed for use by oral care professionals, laboratories, and consumers. GC America, a subsidiary of GC Corporation for over 25 years, employs nearly 300 people in the United States and traces its own history back to Coe Laboratories, founded in 1928. More information about GC and GC America can be found at [www.gcamerica.com](http://www.gcamerica.com) For any additional inquires please contact Linda Bellisario, Associate Director of Marketing Communications, at [linda.bellisario@gc.dental](mailto:linda.bellisario@gc.dental).
