FOR IMMEDIATE RELEASE

Introducing

EQUIA Forte® HT: Bulk Fill Glass Hybrid Restorative

Alsip, IL – July, 2019 – GC America Inc. is excited to announce the launch of an innovative bulk fill glass hybrid restorative, **EQUIA Forte® HT**, on September 1st, 2019 in US and Canada. Building on the success of EQUIA Forte®, this strong and esthetic restorative system combines an improved restorative formulation – **EQUIA Forte® HT fil** with a resin coat – **EQUIA Forte® Coat** in a new bottle.

Below are the key features and benefits:

- Improved translucency and physical properties for esthetic, strong restorations
- Optimal marginal seal for long-term resistance to microleakage
- High fluoride release at tooth-restorative interface
- A new flip-top Coat bottle providing ergonomics and minimizing waste
- Ideal restorative treatment for high-risk caries, pediatric and elderly patients
